PERSONALITY 126

. . . the largest student body ever to pass

"Tread not the well-worn path, but make your own;" the motto of the Senior Class of 1965, applies to all of your young developing lives. As you entered the halls of HHS last fall, you were the largest student body to ever pass through these portals of education. You were as Sophomores, one out of 416; as Juniors, one out of 346; and as Seniors, one out of 406. All of you were just one out of 1,168.

Five new classrooms had to be added to accommodate you. Fourteen new teachers added additional strength to an exacting curriculum. You were divided into two lunch hours. Class periods were shortened from 69 to 60 minutes and the diagonal classroom system was abandoned. A variety of extra-curricular clubs and sports served to round out your life.

As you continue down your paths of learning, you will graduate and leave your Alma Mater. As an individual you must go on your own way, and make your own paths without the help of your schoolmates, teachers, and counselors. You must be self-reliant and find your niche in life. Some of you will go on to college to become teachers, doctors, lawyers, nurses, engineers; and others will become steelworkers, mechanics, sales clerks, laborers, or apprentices in other fields. Each of these occupations will serve to strengthen your country.

All of your achievements in life will be in some part due to your education. But education is not enough alone—it must be combined with the ambition necessary for success. You must "Tread not the well-worn path, but make your own . . . . . ."

ACTIVITIES

Activities help to make school life exciting and interesting. The football Homecoming was altered in appearance in that the queen and her court were presented in skirts and sweaters instead of formals. The basketball Homecoming team nominated the candidate and the student body voted for the queen. Convos added spice to the school day. New convocations for this year were a trampoline act, and a speaker who discouraged high school drop outs. Seniors were given an opportunity to participate in Senior Education Day. It has been over five years since this activity had been held. The field of activities also added new paths of the school year.

Campaigns End With Gold-Purple Ticket

Mayor-Clerk elections are held to give students a greater insight, and through participation, in our democracy! Early in the spring Mayor and Clerk-Treasurer conventions are held. Candidates are nominated through a majority ballot. When student voters go to the polls, they voice their choice by the use of a voting machine, thereby learning correct voting procedure.

Student voters split their ballots for the second year as Jody Woods of the Gold Party and Bonnie Empey of the Purple Party were elected Mayor and Clerk-Treasurer, respectively.

Campaigns were waged for two weeks as supporters gathered in student homes to make signs, banners, and party pins. Campaign managers Marilyn Green and Lynn Sheets worked many long hours incorporating new ideas and gimmicks.

Duties of the Mayor include heading the Student Council meetings and presiding at convocations. Mayor Jody Woods took on an extra job this year as he headed the committee for our Victory Bell Stand. Bonnie Empey recorded the minutes of each student council meeting.

October 23, saw many great events. Hobart's Brickies smashed Gary Andrean on the football field . . . Seniors downed the other float entries with their winning float, "Brickies Cash In" . . . One of the most spirited pep sessions of the season was held to urge the boys on to victory . . . and Sally Jacobson's selection as 1965 football Homecoming Queen put the frosting on the cake.

"Brickies Cash In" the senior class float won first place in the Homecoming competition. Seniors were well rewarded for their hard work.

School spirit was at its peak the night of Homecoming. Stands were completely filled and those who could not find a seat, preferred to stand rather than miss the festivities.

Making the evening complete was the crowning of the queen, Sally Jacobson by Booster Club President, Dennis Fowler. Sally's court was composed of Senior, Debby Grose; Senior, Cynthia Stefanchik; and Junior, Andrea Beluschak. The dance was held in the cafeteria after the game.

Turnabout, Semi Enhance School Dances

"Moonlight Wishes," the semi-formal held, December 5, in the high school cafeteria, was sponsored by the Debuteens.

Bob Conn and the Shades provided musical entertainment with the theme song "When You Wish Upon a Star" and other popular selections.

Chaperones for the formal were Mr. Douglas, Mr. and Mrs. Pio, Mr. and Mrs. Deal, Mr. and Mrs. Zelenka, Mrs. Cox, Mrs. Koch, and Miss Stewart.

Turnabout Dance, another girl ask boy affair, was highlighted by the entertainment of Oscar and the Majestics. Among the selections played was the Majestics recording "Come on Willy."

Rich "Marry 'Em" Raymond performed a mock marriage ceremony uniting all the couples at the dance, and Joe Seed was selected as Turnabout King.

Chaperones for the evening were Mr. and Mrs. Empey, Mr. and Mrs. McDowell, and Mrs. Woods.

Senior Bonnie Clavey Crowned Queen;

Senior Bonnie Clavey was crowned Basketball Homecoming Queen by Dennis Fowler, Booster Club president, during a halftime presentation in January.

This year's candidates were selected differently. Senior, junior, and sophomore basketball players nominated a girl from each of their classes and then the selection of queen was decided upon by the student body.

Junior Susan Brickley, escorted by Eddie Schwuchow and Sophomore Nancy Jo High on the arm of Larry Longacre made up the court. Serving as escort for the queen was Mickey Shalapsik.

Although the Brickie Cagers were not successful in their attempt to defeat Hammond Gavit, the unfaltering enthusiasm of the crowd filled the gymnasium.

German Club sponsored the aftergame dance held in the cafeteria. Chairmen from the German Club along with Booster Club officers worked diligently to make the Homecoming dance a success. Terry Taylor and his Quartet provided musical entertainment for the evening.

'65 Yohannaire Entertains Capacity Crowd

"Bits of Broadway" was the theme of the 1965 Yohannaire. Under the direction of Mrs. Eleanor Deal, and Miss Marlene Sparschu, the show was hailed as one of the best ever produced at Hobart High School.

Try-outs for the program began early in December. A committee of students from the Student Council and a committee of faculty members sat through the auditions and voted thru a point system for their choices. After final try-outs a list was posted of the acts chosen for the show.

Rehearsals then began for many weeks and long hours. The end result was, however, worth the work.

"Let Me Entertain You," one of the top songs from the Broadway hit show "Gypsy," opened the program. "There's No Business Like Show Business" was sung by the entire cast as a grand finale.

Proceeds of the Yohannaire will go to the AFS Fund and for a scholarship to a graduating senior.

Plays Personified By Dramatic Classes

Dramatic classes presented their fall play, "Dark af the Maon" November 13, and 14. Tragedy struck at Witch-bay Jahn, when he fell in lave with a human girl, Barbara Allen.

Falk songs and ballads af the mountain peaple were included in the play. Witch-boy John was partrayed by Ralph Sisco. Barbara Allen the girl he laves, was played by Barbara Dingee.

"Strange Borders" was chasen as the Dramatics classes spring play. Mystery and camedy were cambined as Bastan Benny and his gang retired ta Cordelia's baarding hause after rabbing a Bastan bank. Cordelia was portrayed by Donna Waad. Tam Walden played Bostan Benny.

Dramatics classes have limited stage facilities with which to wark, yet they present at least twa plays every year. Students learn nat anly acting methads and haw ta partray a character, but alsa the basic functians af the stage, lighting, and the relation af the actar ta the audience.

While Seniors Assume Command

Education Day took place March 17. 150 Seniors took part in the activities. Seniors took over administrative and teaching positions all over the Hobart School System.

Two weeks before the designated day, Seniors filled out applications for the position which they wanted to hold on Education Day. Class officers sorted the forms and tried to give each applicant his requested position. On March 10, Seniors attended their assigned classes and observed class activities. One week later they returned and took the class over for the day.

Mike Hallas dominated the high school scene as he replaced Mr. Moody, principal. Student school board members visited the schools to see that everything was going smoothly.

Most seniors expressed the wish that Education Day be continued after they leave. Seniors returned from their educational positions more informed on the work that goes into being a teacher and the importance of good student-teacher relationships. It was indeed an **Education**-al Day!

"Parisian Mist" Creates Prom Atmosphere

"Memories are made of this." Although this phrase from a song may be old and out of date, no other words could express what the Junior-Senior Prom holds for each couple that attends.

Hotel Gary's Crystal Ballroom was the scene of Hobart High School's Prom "Parisian Mist," May 1. Decorations presented a Paris scene. A miniature Eiffel Tower was even included to give a French air to the ballroom. Couples danced to the music of the Johnny Nowlan Orchestra until 11:30 p.m.

Dinner was served at San Remo's from 12:30 a.m. to 1:30 a.m. Afterwards the floor was cleared for more dancing. The Kingsmen scheduled to appear at 3 a.m. were unable to come. However, Hobart students provided their own entertainment when they found they would have to do without professionals.

Some of the young men tied dinner napkins together until they had made large jumping ropes. They proceeded to the center of the floor and began jumping.

Choir Presents Broadway's "Bye Bye Birdie"

"We love you, Conrad," echoed through the high school cafetorium, May 14 and 15, as the A Capella choir performed the musical "Bye, Bye Birdie."

Rock and roll singer Conrad Birdie is drafted into the army and as a final farewell to his millions of faithful followers, he will bestow a good-bye kiss on teenager Kim MacAfee.

Jack Thomason and Dorothy Manteuffel performed the lead roles of Albert Peterson and Rose Alvarez. Howard Oaf enacted the part of the hero, Conrad Birdie. Carla Bowman and Jim Philpott played the sweethearts Kim MacAfee and Hugo Peabody. Supporting cast members were Luther Matsen and Jamie Enrico, Kim's parents; Bill Bodnar as Randolph MacAfee and Karen Brayfield as Albert's mother.

Seniors Spend "Sneak Day" At Dunes

Almost 386 Seniors sneaked away early May 4, to the Indiana State Dunes. They wore everything from bermudas to cut-offs, and carried anything from food to footballs.

Sneak Day's objective is to have the day come as a complete surprise to teachers and underclassmen, however, this rarely ever happens, and this year was no exception.

When the buses landed, Seniors went flying in all directions. Some went to the beach area and others went to scale the sandy heights of the big blowouts.

Girls could be seen wringing the icicles from their clothing after being thrown in Lake Michigan by some thoughtful Senior boys. Old Man Weather wasn't very kind to the class of '65.

Seniors boarded the buses at 2:30 p.m., tired and wet. The buses were strangely quiet on the way back to the high school. This was the last time that Seniors would be together as a class.

Convos Add Interest To School Routine

Convocations added lively interest to the daily routine of school life. Many valuable convocations were presented during the school year. Some were religious, some educational, while others were just for fun.

Representative Ray Madden from Gary presented Hobart High with a new flag, that had flown over the House Wing of the Capitol in Washington, D. C., at a ceremony held in the gymnasium, April 19. Gary Emerson's ROTC Drill Team performed a routine that completed the program.

Hobart High's annual Honor Convocation, May 19, gave special recognition to outstanding Seniors and underclassmen. Awards were given in three categories: athletic, academic, and scholarship.

Scholarship recipients were Jane Cox, Sandy Davis, Jerry Olson, Terry Fasel, Linda Berg, Susie Hawke, Betty Reed, Mary Ann McColloy, Ken Winston, and Dorothy Manteuffel.

For Seniors

Commencement exercises for the Class of 1965 began at 3 p.m., May 23, when the Reverend Thor Matson addressed the graduating class at Baccalaureate.

On the following evening, Seniors marched into the gymnasium to hear the invocation given by the Reverend James E. Cheney.

Hobart scholars, Salutatorian Jane Greischar and Valedictorian Jerry Dodgson, presented their speeches to their fellow graduates.

Mr. Kenneth Norris, superintendent of Hobart City Schools, introduced the evening's guest speaker, Mr. Ellis Hayes. Hayes, who is the director of secondary education for the Hammond Public Schools, spoke on the value of getting to know one's self and how to apply that knowledge to life.

After the address by Hayes, 384 Seniors came forward to receive their diplomas and their class flower, a red rose. Members of the school board, Mr. A. F. Harrigan and Mr. Richard Black, assisted Principal Harold Moody and Vice-Principal Dorothy Thompson in presenting the diplomas.

SPORTS

Sports at Hobart High had many firsts this year. In football, the Brickies made a new path by defeating the Michigan City Red Devils on the home grid for the first time in the long series. The basketball team scored a first in improving their season record. By winning two games, they doubled last year's total of one for a 100% improvement. Hobart had its first reserve baseball team this year. Hobart's Track team lost the Crown Point Invitational for the first time in nine years. It was also the first time in many years that the team didn't take first place in the Hobart Relays. The athletic teams for the 1964-1965 seasons blazed many new paths—win or lose.

Lack of Depth Proves Trackster's Demise

Senior Bob Grudzinski paced Hobart's cindermen to four dual meet wins during the 1965 season. However, Hobart placed second in four major outdoor meets during the season.

Grudzinski, a consistent winner throughout the season, qualified for the state track meet and brought home a second place ribbon in the 120-yd. high hurdles.

During the indoor season, the Brickies, coached by Bill Cope defeated both Culver Military Academy and Hammond High School, at the Chicago University Fieldhouse.

The Bricks placed second in both the Crown Point Invitational and the Hammond Bishop Noll Quadrangular.

Moving outdoors, Cope's tracksters won dual meets from River Forest and Gary Andrean.

Lack of depth proved to be the Brickies' nemisis as the outdoor season progressed. Hobart placed second in the Little Five Meet, Hammond Relays, Hobart Relays.

Traveling to LaPorte to defend their 1964 championship, the Brickies garnered five first places but placed third in the relays.

Hobart's pale streak, hurdler Bob Grudzinski, floshes his form in the Little Five Meet. Grudzinski won both the 120-yd. highs and 180-yd. lows going away.

Reserve Team Debuts With 4-1 Record

Coach Russ Deal and his diamondmen put together a 9-4-1 record in a season which featured the debut of Hobart's reserve team.

Led by the 4-1 pitching af righthander Mike Hallas, the Brickies enjoyed one four game winning streak and in the process won their last five of six games. Four slated contests had to be postponed because of poor weather and schedule commitments.

Playing in the Michigan City tourney was the highlight of the season although the Bricks finished second. Coach Deal's crew dropped Froebel in the afternoon contest, 8-0, but the host Red Devils ruined any trophy hopes as they blanked the Bricks, 7-0, for tourney honors.

Hobart fared well against conference teams. Preparing to enter the Northwest Conference in 1966, the Bricks warmed up by stopping two future conference opponents and tying one. Horace Mann, and Froebel fell by the wayside but East Chicago Roosevelt failed to yield.

Against Calumet Conference teams, the Bricks won four and lost one.

Hobart's reserves, coached by Joe Barber posted a 4-1 record in their initial season. Wins came over Portage, East Gary, Crown Point, and Merrillville. Calumet inflicted the reserves with their only loss.

Golfers Notch Sectional Second; 12-4 Record

Coach Faye Trammel and his golfers finished the season with 12 wins and 4 losses. Hobart's losses were inflicted in duplicate at the hands of Gary Andrean and Griffith.

Brickie Golfers made a sweep of three triangulars they participated in and lost the fourth by one stroke to Andrean. In dual meets, the Bricks were 5-3.

Keith Dunklebarger was Hobart's most consistent medalist for year as he garnered low score honors 10 of 16 meets. Sophomores Jon Sheptak and Ted Esping chipped in with medal honors three times apiece.

In state wide meets, Hobart improved on last year's record. The Bricks placed fifth in the Dyer Invitational which saw 37 teams entered from around the state. Hobart grabbed a sixth in the LaPorte Invitational, which hosted 27 teams.

Traveling from their home course, Cressmoor Country Club, the Bricks competed in the state IHSAA golf sectional at Lake Hills. The Brickies as a team shot a 343, good for a state qualifying second. Sheptak qualified individually for the state meet with an eighteen hole 79.

In Indianapolis, Hobart shot its best team score of the year, 326, and placed nineteenth in the state meet.

Trammel's reserve team compiled a 2-2 record in four meets.

Cheerleaders Fill Vital Role With Spirit

Cheerleaders play an important part in Hobart High School life and for that reason to be designated as a cheerleader is an honor which is the result of vigorous selection program.

Girls interested in cheering must first fill out an application and submit it to Booster Club sponsors, Mrs. Rosalind Howell and Mrs. Judy Harder, with a letter of intent signed by parents.

The applicants are checked for scholarship standing and citizenship. A "C" grade average is required with average or better citizenship.

Once the applicants have been certified, teachers evaluate prospective cheerleaders for effort, character, leadership, and service. After teacher recommendations have been completed, remaining applicants enter tryouts.

Officers of the Booster Club, Student Council, and Class officers, along with Booster Club Sponsors, coaches, deans, and guidance directors then sit in judgement of the applicant's cheering ability.

After school leaders and faculty members have made their selection then tryouts before the Booster Club is the only hurdle left for the applicants.

Although requirements and tryouts are filled with pressure and tension, five girls manager to survive the ordeal from approximately 15 applicants.

ORGANIZATIONS

No new organizations were started in 1964-1965, but the clubs had new activities and revived some old ones. The GAA held the first powderpuff football game since 1959. GAA participated in the first state gymnastic and track meets. GAA awarded the first scholarship in physical education at the 1965 Honor Convo. The Student Council chose its first delegate to the National Student Council Convention. A Cappella presented the musical "Bye, Bye Birdie" for its first play presentation since 1962. The Honor Society had the biggest membership in 1964-1965 that they have ever had since receiving their charter fifteen years ago. This was truly a year of firsts.

Editors for the yearbook staff are appointed in the spring. Editor-in-Chief, Jeanne High, attended the yearbook workshop at I.U. last summer. The workshop lasted for two weeks and editors from high school yearbook staffs all over Indiana met to discuss and exchange ideas.

Members of the yearbook staff work hard every year to give students at HHS a detailed remembrance of their high school years. This year was no exception.

Since September, editors have made hypothetical lay-outs for their sections and told staff photographers the types of pictures they wanted to use. Copy editors have written the copy blocks.

Finally, when deadline time rolled around, editors had decided their lay-outs, put them on triplicates, and sent them to the publisher. It was work from the word go—do you like it?

Receive NSPA Second Class Rating

Ho-Hi Life was published twice a month to inform students of the upcoming social events, outstanding scholars, sports, Club news, and miscellaneous items.

The newspaper is prepared first on a dummy sheet with layout marked, representing pictures, and copy pasted on. Ho-Hi press took over from there making another copy to be used in the printing press. Multiple copies were produced and distributed to students and faculty.

Ho-Hi Life received a second-class rating from the National Scholastic Press Association, which was based on originality, layout structure, copy and over all quality of the paper.

Typists for the newspaper are: Joyce Mitchell and Carolyn Kazyra.

Taking care of all money and ads were the jobs for Cheryl King, business manager, and Janet Puchowski, ad manager.

Ho-Hi Life's circulation department is maintained by Debby Grose, Niki Lourzenhiser, and Barb Shirey.

Character, Leadership, Scholarship, and Service are the main objectives of the National Honor Society. The National Honor Society knows the combination of these objectives is very important in life.

An Honor Society member is chosen on the basis of his ability in the classroom and his extra-curricular activities. Each spring new members are inducted. Last year 23 Seniors were inducted and are now striving for scholastic achievement in the student body.

In February, the annual Pizza Supper was held to recognize all students with an average of 3.6 or higher. Honor Society also records Senior, junior, and sophomore honor rolls. Members of the Honor Society tutored students who needed help in a weak subject during the first semester of the school year.

Wednesday, May 5, 17 new members were inducted into the Honor Society. Ceremonies were performed in front of the student body in the gymnasium.

Raises Funds For AFS and Scholarship

Since 1927 the Student Council has proved worthy of being called the key organization of Hobart High School. This year's activities began with the traditional Purple and Gold Party campaigns. Once again the ticket was split as their classmates choices to lead the Council.

Many successful projects were council sponsored, testifying to the fact that a hard-working crew was behind the scenes. The Victory Bell at long last has a permanent stand, modeled after that of Valparaiso University. Shares of stock in the stand were sold to the students for ten cents apiece. Money from the shares financed the building of the stand.

Curtains went up on "Bits of Broadway," March 11, 12, and 13 in the cafetorium. Proceeds from the three-night performance went to the Student Council Scholarship fund which helps a worthy senior finance his college career.

Hobart Optimists acknowledged the leadership abilities of Susan Smith and Kenny Black, tapping them for the "Outstanding Senior" awards.

Senior, junior, and sophomore girls gave way to another progressive year in perfecting good sportsmanship and teamwork through the Girl's Athletic Association.

Incoming sophomores earned intramural points in the six weeks previous to their induction into the organization. Intramurals were held after school and consisted of volleyball, and deck tennis.

Members worked toward their goal in physical fitness by participating in vigorous games of basketball, volleyball and indoor baseball. Tumbling and putting the trampoline to good use were also included in the activities.

Football, although in the powderpuff form, was added to the GAA sports roster this year. GAA members provided half time entertainment at Hobart's last home football game. The girls borrowed football jerseys and presented a very realistic game—right down to injuries!

Making plans for future GAA activities are Jeanne High, publicity chairman; Pat Bodnar, president; Jane Greischar, vice-president; Jayce Daniels, treasurer; Miss Eleanor Reisinger, spansor; and Marilynn Green, secretary.

Drives; Pack Baskets for Underprivileged

Hobart High School Debuteens have been helping the community and school for many years. Polio, cancer and leukemia drives are just a few of the ways the Debuteens lend a helping hand. Along with national fund-raising drives, the Debs have collected money for two beds, linens and a first aid cabinet for the high school.

Debuteens don't forget the needy either. In November of 1964, they held a clothing drive and in April of 1965 they made Easter baskets for underprivileged children.

"Moonlight Wishes," the Christmas semi-formal dance was sponsored by the Debuteens this year. Bob Conn and the Shades provided entertainment at 8 p.m., December 5, in the high school cafetorium. Refreshments were served during the intermission.

Debuteens was one of three clubs entered in the float competition for football homecoming. Members of the Debs float committee worked with their ideas many weeks and gained a second place in the judging.

Conference At Butler University In April

Latin Club is one of the oldest and most important clubs at the Senior High School. Hobart's first Latin Club originated in the 1920's. During the second world war, the club was deactivated, but it was reactivated in 1953.

Promotion of interest in all things having to do with Latin and the Roman culture is the main objective of the club. It also provides social meetings for the club members.

Latin Club is affiliated with the state and national Junior Classical League. Each year the club sends contributions to the League scholarship fund. This fund is used to send students to college for the purpose of becoming a teacher of the Latin language.

Five Hobart Latin students attended the annual meeting of Indiana Latin Clubs at Butler University last fall. Social and educational ideas were exchanged.

Spanish Club is an active organization that enables those students interested in the language to work and have fun also while learning. Movies concerning Spanish culture and customs were shown at the monthly meetings this year.

Sue Strode was hostess to the picnic and bonfire held at her home, October 12. Several games were played during the evening.

Breaking a candy-filled pinata highlighted the fiesta held, December 14, in the cafeteria. Popular Christmas carols were sung in Spanish by Alumnos De Espanol.

Two Spanish Club members, Elaine Webb and Roger Alford, spent the summer as foreign exchange students in Mexico. Each returned with a lasting impression of the things they had seen and heard.

March 1 was the date of the Spanish supper. A delicious meal of tacos, frijoles, Spanish rice, and other traditional foods was served. Club members took home pleasant memories of the annual outing at the Indiana Dunes last spring.

Elaine Webb and Roger Alford look over momentos gathered while studying in Mexico last summer on scholarships.

Officers Spanish Club were: Blanche Russell, President, Marianne Pontea, Vice President, Denise Council, Secretary, Elaine Webb, Treasurer.

German Club Holds Homecoming Festivities

RIGHT—German Club officers enjoying the scenery are President, Bannie Clavey, Vice President, Tim Sanz, Secretary, Carol Hallenbaugh, Treasurer, Nancy Walker.

German Club's main objective is to promote interest in the country of Germany: its language, customs, and people.

Members of the club worked to earn money to buy five new records for German classes.

Sponsoring the Basketball Homecoming on January 22, was the club's principle activity. Couples danced to the music of the Expressmen. Cokes and cookies were served at the snack bar by German Club members.

Mrs. Astrid Cicak, German teacher, guided the club headed by Bonnie Clavey, president; Tim Sanz, vice-president; Nancy Walker, secretary; and Carol Hollenbaugh, treasurer.

French Club Sponsors Outing to Dunes

Le Cercle Francaise, Hobart High School's newest club, was begun last year under the direction of French teacher, Mrs. Patty Freidrich.

French Club raised money for books, tapes, and movies of French-speaking people and their culture by working in the concession stand, December 12. Snack Bar duty during the week of January 7-13, provided additional funds which were used to purchase new club pins.

Plans for communication with a French school were discussed at the regular meetings which were presided over by Carol Lisak, president.

French club members spent a day at the Dunes to climax the year's events.

French club officers were: Caral Lisak, president, Sharan Pope, vice president, Yvanne Warner, secretary and Midge Rautes, treasurer.

Booster Club Promotes School Spirit;

Holding the honor of being the oldest and largest club at Hobart High School is the Booster Club. Team support is given by the booster block at all of Hobart's athletic events throughout the school year.

Brickie window stickers were sold by the boosters to build up club funds. Football homecoming was sponsored by the club in late October. Funds for the treasury were also raised by working in the snack bar during lunch hours.

Throughout the years, the booster club has encouraged good sportsmanship in football, basketball, and field sports. It has created a high sportsmanship standing for Hobart High School all over the state.

Boosters sponsored pep sessions through the football and basketball seasons to encourage attendance and enthusiasm.

The sponsors of the club were Mrs. Judy Harder and Mrs. Rosiland Howell.

School Convos, Special Programs

A Cappella Choir and Treble Choir combined to present their first program at the Thanksgiving Convocation.

Christmas season brought forth the traditional Christmas Vesper Service. "Music for Christmas," the Annual Christmas concert was presented December 15, at 8 p.m., in the cafetorium.

Calumet High School hosted this year's Music Festival in which the A Cappella Choir participated. Six area high school choirs combined in a mass chorus. Mass chorus was directed by Guest director, Mr. Robert Mitchum of Wabash College.

Background music for the Yohannair in the form of "Hello, Young Lovers," "Chinese Lullaby," and "Let Me Entertain You," was provided by the Treble Choir.

Baccalaureate and Commencement exercises were the scenes of the A Cappella's final performance for the year, 64-65. Senior choir members sang for the last time the "Alma Mater" and "The Lord Bless You and Keep You."

Rating; Travels To Lexington, Kentucky

Hobart High School Band received its 35th consecutive first division rating at the state band contest in Angola, Indiana, April 10, 1965.

Under the direction of Mr. Rogers, the Hobart High School Band appeared in four concerts this year and entertained during half-time at football games. They also marched in the campaign parade last fall.

Faculty and student body were given a musical treat when the band gave a pop concert last winter during a convocation.

This year's band tour lasted four days and covered over 1,300 miles. They performed in Jeffersonville, Indiana; Bowling Green, Kentucky; and Pikeville, Kentucky.

Second Year of Organization Proves

Twenty-nine Hobart High School students earned the 25 points necessary for membership in the National Forensic League the past year.

Acquainting students with presenting their ideas clearly by speaking accurately is one of the main purposes of the Speech and Debate Club. Members of the club represent Hobart High School in speech and debate tournaments throughout the state.

Though this is one of Hobart's newest clubs, only two years old, it already is rated as having some of the best Speech and Debate teams within its rolls in the state of Indiana.

During the past year, the team members, under the supervision of Mr. Larry Weise, participated in numerous meets and placed high in four out of seven tournaments.

Speech meets include dramatic interpretation and poetic reading along with different types of speeches.

Art Club Takes Trip to Chicago Museum

Art Club is composed of a small number of students interested in learning and creating art. Meetings are held every Thursday at 6:30 p.m. Students could work for two hours on whatever projects they choose.

Walgreen's Day, an annual event sponsored by the Art Club, gave club members an opportunity to raise money by taking over the soda fountain at Walgreen's Drug Store.

Art Club's main project of the year was repairing old toys so that needy children could have Christmas presents.

An outing to the Dunes State Park completed the club's activities.

FRONT ROW: Mary Jane McSherry, Cindy Wells, Barb Patter, Niki Lautzenhiser, Susy Cooper, Denise Knault, Tina Luciana, Jackie Templeton, Mitzi Carley, Roberta Piasky, Terry Curtis, Carol Rebeck, Cindi Stefanchik, Barb Siddall, Phyliss Sandala, Pat Milar. Acquainting members with the excitement and wonder of the various fields of scientific study is the goal of the Hobart High School Science Club.

Although it is one of the smaller school clubs, its membership increases steadily each year.

Movies, experiments, demonstrations, and a trip to the science fair were all on this year's agenda.

Mr. Senderak is the club sponsor.

BELOW—Officers are: Jane Greischar, pcesident, Neal Nelson, vice-president, and Jennie Rae Freeland, secretary-treasurer.

Librarians Serve Faculty, Student Body

Library services are provided for students and teachers throughout the year by members of the Librarians Club.

Students working on research papers and teachers looking for information to make their classes more interesting and informative depend on members of the club to help them find the best sources to use for the subject matter at hand.

Club members are taught library techniques. Librarians learn to file books, magazines, and newspapers in their proper place to aid quick access to sources.

Initiation for new club members was held October 9, in the library. Time was spent acquainting the new members with the old members and learning of the different purposes of the club. Since one of the objectives of Librarians Club is to provide social experiences for the members, the club is very active. Every nine weeks the club holds "clean up" parties. On these occasions the library is given a thorough cleaning and the books are dusted.

Librarian officers were: Kathy Summitt, vice-president; Gail Ehrenfeld, treasurer; Paula Tarry, president; Liz Marris, secretary.

Boys' Booster Block, or the H-Men Club, was organized during the basketball season of 1964. Although it is the newest club at Hobart, it is by far the most school spirited. Club membership is limited to lettermen. Members choose their own yell leaders for basketball games. The boys sit in their own section at athletic events and pep sessions. Letter jackets or white shirts are worn to give the appearance of a block. Boys' Booster Block has raised spirits high when scores have been low.

Giving Hobart Senior High School a reputation of having the loudest cheering section this side of Lake County is the club objective.

H-Mens Club is sponsored by Coach Deal.

Ball State Trip Highlights FBLA's Year

Business and careers in commerce are introduced to the members of the Future Business Leaders of America at club meetings. Club members are given an insight into the world of business through pamphlets, magazine articles, and their club sponsor's advice.

Most of the members of FBLA hold part time jobs after school and on the weekends in preparation for their business careers. Students on the commerce curriculum compose the greater part of the club membership.

FBLA attends a state convention annually at Ball State Teachers College. Members of individual clubs participate in a talent show in which they perform a dance, song, or skit. Hobart's FBLA sang "Gee, Officer Krupke," from West Side Story. Hobart club members shared a bus down to Muncie with members of the Highland FBLA.

President Judy Swim and Vice-President Cliff Richardson type some club business while Secretary Pat Irvine, Treasurer Carol Mills, and Historian Olga Niebojlik look on.

FTA Gives Annual Teacher Scholarship

ABOVE—FTA officers shown painting out places af interest on the library globe are President Terry Fasel, Vice-President Darathy Manteuffel, Treasurer Sandy Davis, Historian Kathy Summitt, and Secretary Mary Ann McColly.

Future Teachers of America has been a prosperous organization at Hobart High School since 1953. Membership is limited to juniors and seniors interested in entering the field of education.

FTA follows the cadet teaching plan. This plan enables members to do student teaching and earn credits at the same time.

FTA's purpose is to acquaint students with the teaching profession. Funds are raised through various activities and donations for a $500 scholarship, given annually to an outstanding Senior who wishes to pursue a teaching career.

FTA sold mum corsages for football homecoming as one of their fund raising projects. At back-to-school night, members of the FTA acted as ushers as they directed parents to classrooms. Concessions from the snack bar during the basketball season also helped to add capital to the scholarship fund.

FNA Sponsors Scholarship For Senior Girl

Looking over final plans for their field trip are FNA officers: Sharon Pope, president, Donna Franco, vice president, Paula Tarry, secretary, Sally Toth, treasurer, and Patsy Claxton, historian.

Future Nurses of America was organized five years ago for those girls interested in nursing and other medical careers. Many important opportunities and necessary requirements for these fields were made available to members.

Thanks to the hard work and enthusiasm of FNA officers and sponsor Mrs. Beveridge, "Cupid's Capers," the last basketball after-game dance, was a success. Profits from the dance went to the scholarship fund. This scholarship will go to a Senior club member judged worthy of it.

Meetings held bimonthly gave members an opportunity to plan activities and projects, distribute materials, and engage guest speakers for informative lectures.

Many important services are performed by the Ushers Club throughout the school year.

Among these duties are helping fans find seats at athletic events. This hard-working group of young people help keep Hobart High School's gymnasium in good order. Members were given free admission to all games and after game dances.

Sponsoring the Ushers Club this year was Mr. Frank Kurth, athletic director.

Dennis Beckner and Jim Huth help some students enter the gym during a basketball game.

Shown above are the Ushers officers: Dick Berg, president, and Nick Ferlus, vice-president.

CLASSROOM and FACULTY

Five new classrooms and fourteen new teachers were added to accommodate educational needs for this year's student body. One of the new classrooms provided the facilities for the first crafts class at Hobart High. The vocational arts curriculum was changed to the title of technical arts. The graduation requirements were different from the old vocational arts curriculum. A teacher for developmental reading was added to the staff. This new class taught correct reading techniques, speed reading, and reading comprehension.

Informed Instructors, Modern Techniques

RIGHT—Mrs. Bailey, librarian hunts for an answer in one of the many books in the Hobart High Librarian.

Add Spice to Language Arts Curriculum

English is an all-important subject at HHS. You must have four years of English in order to graduate. The students are very fortunate in having a well-informed, up-to-date staff of English instructors.

Sophomores, juniors, and Seniors are all required to take a semester of grammar and one semester of literature. Each year students study at least one novel with their whole class.

Sophomores are introduced to the world's most famous authors in their literature classes. They learn of Steinbeck, Hemingway, and other modern authors of adventure.

Juniors study American authors of adventure. Famous American authors such as Edgar Allen Poe, Nathaniel Hawthorne, and Washington Irving are made familiar to the students.

Shakespeare, Jonson, and Chaucer, great English writers, open up a new world of writing style and subject matter to seniors in their literature classes.

ABOVE LEFT—Senior Ann Gleason makes use of the reading lab designed to further comprehension and increase speed.

ABOVE—Sophomore Benny Broy, gives an oral book report in English Class.

LEFT—Jonet Puchhowski, Diono Guritz, and Gail Zelenko, act out a scene from "A Midsummer Night's Dream" in Mrs. Howell's second hour English Class.

Foreign Language Classes Promote World

Around the world in eight minutes; this is how you might feel after a brief visit to the language labs at Hobart High School.

Spain would be first on your tour list. Four years of Spanish are offered at HHS. Spanish students learn the basic language plus the culture and customs of the Spanish people. Members of the Spanish classes wrote and translated letters sent to a Mexican school through the Foreign Exchange Program sponsored by the Student Council.

France would be your second stop. The response of students interested in this language was made apparent by the increase of language majors.

Next comes Rome. Students may take as many as four years of Latin. Each year Latin students prepare a project symbolizing ancient Rome.

Last on your list would be Germany. German students are fortunate because their teacher comes from Germany, and they receive information of German culture firsthand.

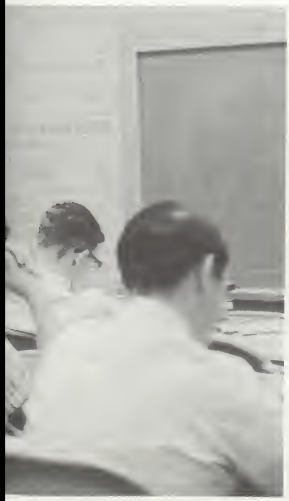

Members af the German class read aver a script far a play.

Understanding

LEFT—Mrs. Freidrich glances down at a student at work.

RIGHT—Geometry students take a test which requires use of compasses.

BELOW—Mr. Dean explains how ta use a surveyor's transit to advanced math students.

Math Teachers Receive New Equipment

Hobart's Math Department has much to offer the technically-minded student. Algebra, trigonometry and college algebra are among the courses that are offered.

Much new equipment was added to the Math Department this year. Two new demonstration slide rules, a celestial globe, and a new mathematics typewriter were received at the start of the year.

More equipment, including another mathematics (geometry) typewriter, a surveyor's transit, six lensatic compasses, and three blackboard stencil charts, were added later in the school year.

Mathematics is a challenging field in the Space Age. The student whose abilities lie in the area of computation has an ever expanding horizon of job opportunities to choose from in the future. The aim of the Math Department at Hobart is to prepare the people who will perform the jobs of the future.

ABOVE-LEFT—Advonced Algebra student finds definite points on a circle by working equations.

LEFT—Mr. Robb demonstrotes the use of the slide rule to his fifth hour class.

By Offering Wide Variety Of Classes

ABOVE—Cheryl King files letters in Miss Todd's fifth hour office practice class.

Business is an ever-expanding network of operations important to today's modern world. Educating future business leaders early, insures the American standard of living.

A commerce curriculum is offered to those students planning to enter the world of business. Among the courses available are typing, shorthand, business English, business law, notehand, and personal typing. These courses are chosen not only by future business leaders but also by college bound students.

Future Business Leaders of America attended the Indiana State FBLA Convention at Muncie under the supervision of Miss Helen Hopp.

New machines purchased for Office Practice were a Monroe Educator Calculator, a ten key hand operated adding machine and one Stenorette Transcribing machine.

Senior Barb Shirey learns to keep her eyes on her typing reference during Mrs. Harder's beginning classes.

Business Course Molds Future Leaders

LEFT—Checking over what seems like an almost insurmountable list of numbers, Senior Chris Hinkle pounds the adding machine in Office Practice.

BELOW—Cossie Mundell listens intently to Mrs. Harder in first year typing.

"Advancement through achievement," was the motto of science students at Hobart High School this past year. Moon shots and great strides ahead in medicine point to the mounting demand for men and women in the scientific research fields. Science courses at HHS gave students an opportunity to evaluate their own interest in science.

Every student at HHS is required to take biology in his sophomore year. Advanced biology is offered for those who wish to futher their knowledge in the study of the anatomy of the human body. Students dissect the simpler forms of animal life to learn the basic functions and system similarities of all living creatures.

Courses in chemistry and advanced chemistry are required for the student on the math-science curriculum. Chemistry opens up a whole new world of discovery to students whose interests lie in the fields of medical technology, pharmacy, and medicine.

Physics, the study of matter and energy, is offered to students who might wish to pursue a career in engineering.

Junior Bill Mason attempts to measure light waves in a darkened room during a physics experiment for Mr. Sendarek's class.

Science Courses Attract Inquisitive Minds

Juniors Gerri Massa and Dawn Smeltzer fragily (and maybe half-heartedly) dissect a fetus pig in Miss Stewart's advanced biology class.

Demonstrating an experiment to his class, Darrell Cutler prepares to remove a utensil lid to measure residue.

Saphamare Terry Berg, beginning biology student, studies the anatomy of a clam.

Gym Students Achieve Physical Fitness;

Waiting for Miss Reisinger to tabulate a skill test score sometimes seems like an eternity.

RIGHT—Mr. Kurth's fifth hour gym class gets rambunctious as it vies for the army ball.

Participate in Various Athletic Activities

Physical Education, required for sophomore boys and girls, gave students the opportunity to learn new skills and become more physically fit.

Gym classes used the trampoline during class time. Trampoline skills were demonstrated during one of the convocations. The demonstration gave many students incentive to try their skill at tumbling on the trampoline.

Miss Reisinger guided the girls' activities of volleyball, soccer, basketball, tumbling, and baseball.

Mr. Kurth supervised the tumbling, basketball, baseball, and weight-lifting activities for the boys. Physical fitness, attitude, citizenship and skills were qualities used as the basis for grades.

BELOW—Miss Reisinger supplies the beat as members of GAA go through modern dance exercises.

FAR LEFT—Sophomores Mike Trommel and Jack Hendrix watch whiffle ball action with interest in gym class.

LEFT—Sophomore Steve Krull looks surprised as action grows fierce on the floor.

Students Gain Insight Into World Events

Students from government classes were chosen to attend court sessions conducted by Gary's City Court Judge Richard S. Kaplan. Students were allowed to give a verdict on the cases they heard.

Film strips varying in subject matter from the Presidential Election to the life of Karl Marx were received by the Social Studies Department this year.

Through the year, volunteer students have sat in at city council, school board, and planning board meetings in Hobart. These students reported back to their classes, and made students more aware of the happenings of local government.

Students, who were interested in some area of social work visited Beatty Memorial Hospital in Westville, Indiana, in April. Art and craft works done by the patients in the hospital were on display. The trip was both educational and informative.

Shop Classes Provide Vocational Training

RIGHT—Steve Kyle works the printing press in his fifth hour Print Shop.

BELOW—Steve McKhuen bends over his metal lathe and industriously finishes his project in Mr. Allen's fifth hour metal shop class.

Courses in power mechanics and general metals have been added to the industrial arts curriculum. Students interested in printing can be found working hard to print the **Ho-Hi Life** every two weeks. Boys in the print shop print lunch tickets, dance tickets, and sports schedules, among many other things. The Ho-Hi Press prints approximately 500 jobs for the school city.

In the crafts class you might find a few girls among the majority of boys taking this course. Students learned to make many useful and decorative items for the home.

Electronics offered educational information in the fields of radio and television. Electricity courses gave students an insight into the workings of appliances in the home and office.

Classes in Industrial Arts displayed their accomplishments in the display cases near the lobby.

Senior Terry Mockey carefully completes his drafting sketch in Mr. Farlow's fifth hour mechonical drawing closs.

RIGHT—Pat Metzler and Zelda Zimney sculpture miniature clay heads in art class.

Students Master Skills Through Fine Arts

Home Economics includes the study of not only cooking and sewing but also home nursing, budgeting, and child care.

Art classes worked hard to create new and interesting objects of art. Students contributed Christmas decorations for the lobby, halls, and individual classrooms. Displays were placed in the showcases to place emphasis on the importance of art in daily life.

Hobart High School's band presented musical entertainment at the half-time intervals of home football games, concerts, and convocations. Under the direction of Mr. Rogers, the band had a successful year with several tours to its credit.

Crafts, a branch of industrial arts dealing with plastics, ceramics, and leather crafts, was introduced to the curriculum this year. Students design original projects and create them in class.

PERSONALITY

1,168 made up the personalities of Hobart High School during 1964-1965. With the biggest student body that Hobart has ever had, there were many outstanding individuals — Individuals who dared not to travel the well-worn path, but made their own. They were the ones that were outstanding in the fields of sports, student government, journalism, dramatics, music, arts, speech, and scholastic endeavors. Some realize their goals sooner than others, but everyone in his own way must discover his life goal and make his own path to achieve it.

Four Talented J's Led 1965 Senior Days

Organization of Education Day included sorting out and placing the 300 seniors who applied for positions. John Hitzelbaugh, vice president; June Samples, secretary; Jennie Rae Freeland, treasurer; and Jerry Olsan, president, succeeded in sotisfying most of the applicants.

Seniors, you made a path of your own this year; you left your own indelible mark upon Hobart High School. You did, however, follow the well-worn path of tradition, enjoying along the way privileges and honors long reserved for "seniors only."

Football homecoming provided your first traditional privilege of the year—the Senior homecoming float. You worked long and hard to produce "Brickies Cash In," which took first prize in the float competition.

June Samples and Richard Lain were your choices for queen and king of the Senior Class Party, "March Winds."

You reblazed the path for Education Day—a senior privilege that had been previously discontinued. Interest, enthusiasm and excellent conduct during the days in which you took over classrooms all over the Hobart School System proved that you were growing, maturing, young adults.

As seniors, you contributed much more than just the revival of Education Day. At the end of the first semester your class had the highest percentage of senior honor students in the 75 year history of HHS.

You prayed silently at your Baccalaureate, May 23, for guidance after graduation. Finally, Monday, May 24, at 8:00 pm the long awaited Commencement exercises began. At 10:00 pm you walked from the well-worn path of your high school life to make your own path in the future.

Junior Class

Many activities were scheduled for you this year. Your first major project was the after-game dance, October 2.

"Stardust," the theme you chose for your junior class party, January 15, was in the air when you crowned Dawn Smeltzer and Frank Arreola queen and king of your class.

Class activity in March included choosing the style and color of your senior sweaters and sweatshirts. Later in May, you chose the photographer who would take your individual senior portraits.

"Parisian Mist" was the theme of this year's junior-senior prom, which you selected.

You chose your mayor candidates for the 65-66 school year, April 7, at the annual Mayor and Clerk Conventions.

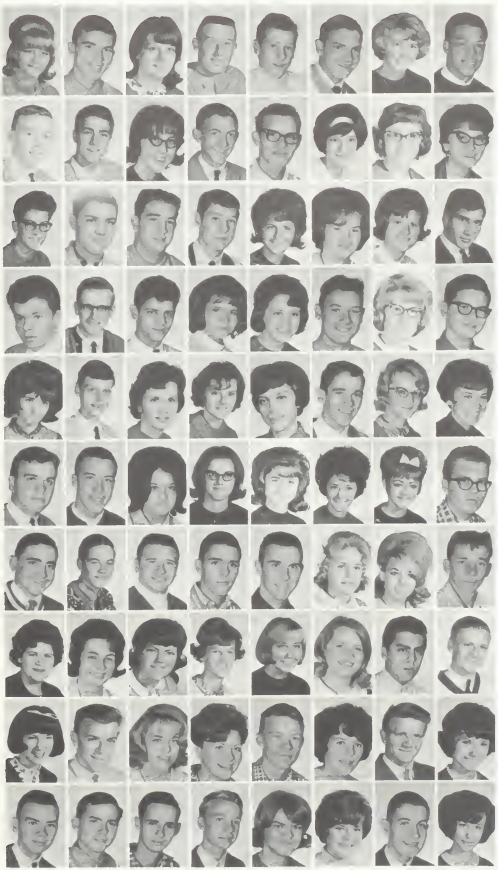

Final junior duties were performed at Baccalaureate and Commencement exercises where you assisted the graduates.

Many thanks are due to your class officers who served you so well in the past year.

As Class Of

Sophomore activities for the '64-'65 school year were wide and varied. The school year began on September 1, with each of you facing a new and demanding school year.

Your first activity was a candy drive. To keep the treasury alive in November and December each of you did door-to-door canvassing to help your class. Profits amounted to $392. One hundred ninety-two cans of candy were left, these you decided to donate to two schools for the mentally retarded, one at Fort Wayne and the other at Lake Shore School in Hobart.

December ended with your class decorating the guidance, principal, and dean's offices for the Christmas holidays.

Your task of deciding on styles of class rings was your next activity. Each homeroom picked a representative for the selection of the rings.

Spring brought your long awaited class party. Royalty was chosen April 30.

All was well as the year ended with your class taking one more step toward its goal—GRADUATION!

ADS and INDEX

Hobart, Indiana, a city of approximately 20,000 inhabitants, shares a city limits with Gary, the Steel City, in east central Lake County.

Hobart is growing and will continue to develop as officials have planned a new City Hall and Police Department. This middle class city will see a 400-bed hospital constructed south of the city.

Just as the city attempts to improve itself and leave the well-worn path of time and tradition, the march of progress takes its toll. An old Hobart landmark, the brick factory, will be shut down. Long the only industry in Hobart, the plant will bring an era to an end in Hobart . . . an era which was the basis for Hobart High School's nickname—BRICKIES.

For more than 70 years men and women have been building successful careers at Inland Steel. Today many of your relatives, friends and neighbors are working at the Indiana Harbor Works of Inland Steel in a wide variety of occupations providing steel that goes into bridges, buildings, refrigerators, ranges, farm machines, automobiles, tools, toys . . . into thousands of products that we use each day. Many are concentrating on certain phases of steelmaking by working in production departments.

Others are working in laboratories helping to assure quality or developing new and better products for our customers.

Some are gaining knowledge and experience in special trades through formal apprenticeship programs offered in the following trades —Machinist, Patternmaking, Boilermaking, Welding, Shop Electrician, Wireman, Mason. Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs or the Purdue-Inland Training Program in which an employee may take a steelmaking, electrical or mechanical curriculum. Still others are continuing their formal education at one of the local extension centers.

Plan now to investigate the unlimited opportunities for you at INLAND STEEL . . .

Conclusion

Starting as green members on the yearbook staff, we have had many new experiences in the publication of the 1965 MEMORIES. We have experienced many moments of anxious anticipation which have ended in either complete disgust and disappointment or in ecstacy. Many hours were spent drawing preliminary lay-outs, taking and choosing pictures that were "just right," writing body copy and captions, cropping pictures, dreaming up headlines that would fit the alloted space, and finally making the copy that would go to the publishers. Somehow the satisfaction that we derive from the final product makes all the sweat and tears well worth the while. 741 MEMORIES were sold this year which sets a new record at Hobart. We went to a definite lay-out style in this year's book in having a three-column format. We tried to make our page lay-outs informal with the use of bleeding pictures and workable white space. Putting together the 1965 MEMORIES has enriched the lives of all the members on this year's staff. Without the help and co-operation of the many people who worked together for this publication, it would not have been the success that we believe it will be. We hope that you as readers will enjoy the 1965 MEMORIES as much as we the staff did in creating it for you.

Acknowledgments

Mr. Dick Kennard from the Newsfoto Publishing Company of San Angelo, Texas, served as the yearbook consultant for the 1965 MEMORIES. Photographic consultants were the Gary Camera Company. Victor Studio of Gary took the senior portraits and the organization pictures for this year's book. Universal Cover Company of San Antonio, Texas, produced the cover. Without the help and consultations of these people and companies, the production of the 1965 MEMORIES would not have been possible.
